

CREATE A SOCIAL MEDIA POST

Introduction:

Canva also gives you access to a library of over one million stock images graphics and illustrations. Many of these images are also free, while premium images are all offered at a very competitive price. Using professional photography will allow you to create a high quality logo that's ready for kindle and other ebook sites. There are no recurring fees once you've published your high quality design.

Create a professional logo without hiring a designer

Canva's collection of book cover layouts is the best on the web! Our team of awesome designers have worked hard to create quality layouts which will help your social media post look professional and sell out you won't need to spend hundreds hiring a designer when you create your own awesome cover in canva's social media post maker.

My project is creating a social media post

I create a social media post using in the canva

2.problems definitions & design thinking

2.1.Empathy Map

Brainstorm & idea prioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts when it's still not solid in their heads.

Before you collaborate

A 15 min 10 min 5 min

Define your problem statement

What problem are you trying to solve? Frame your problem so it's clear, specific, and measurable. This will be the focus of your brainstorm.

Brainstorm

Write down any ideas that come to mind. No idea is too small. The goal is to generate as many ideas as possible.

Group ideas

Take turns sharing your ideas with others in your group. One person shares their idea, and the others listen. Then, the group discusses the idea and decides if it's a good idea. If it is, the group adds it to the list of ideas.

Prioritize

Take turns sharing your ideas with others in your group. One person shares their idea, and the others listen. Then, the group discusses the idea and decides if it's a good idea. If it is, the group adds it to the list of ideas.

After you collaborate

You can export the results of all stages to PDF. You can also export the results of any stage to PDF. You can also export the results of any stage to PDF.
